

09 – A Thousand Years *(Christina Perri)*

Heartbeats fast
Colours and promises
How to be brave How can I love when I'm afraid to fall
But watching you stand alone
All of my doubt suddenly goes away somehow
One step closer

I have died everyday waiting for you
Darling don't be afraid I have loved you
For a thousand years I love you for a thousand more

Time stands still Beauty in all she is
I will be brave I will not let anything take away
What's standing in front of me Every breath Every hour has come to this
One step closer

I have died everyday waiting for you
Darling don't be afraid I have loved you
For a thousand years I love you for a thousand more
And all along I believed I would find you
Time has brought your heart to me I have loved you
For a thousand years I love you for a thousand more

One step closer One step closer

I have died everyday waiting for you
Darling don't be afraid I have loved you
For a thousand years I love you for a thousand more

And all along I believed I would find you
Time has brought your heart to me I have loved you
For a thousand years I love you for a thousand more
